

2022 Primary Endorsement Results

ECDC held an online endorsement forum on Tuesday, March 22, 2022 via Zoom teleconference. Eligible members could vote online using OpaVote between Wednesday, March 23 at 10:30 AM and Friday March 25 at 10:00 PM. Eligible members were Members in Good Standing as of February 8, 2022 and who registered for the Endorsement Forum. Ballots were distributed via email to 44 eligible members. I emailed six of the eligible members to ask if they had issues receiving their ballot as OpaVote indicated they had not opened their email. One of those members responded late Friday night that they could not find their ballot. Unfortunately, we were not able to resolve their issue before the poll closed. We received ballots from 30 eligible members. Votes were not cast in every contest.

Results

To receive the ECDC endorsement, a candidate or position must be marked on 60% of the votes cast in that race. The number votes varies.
