## 1. El Cerrito Democratic Club General Information

Since 1952, the El Cerrito Democratic Club (ECDC)—one of the oldest Democratic clubs in the state—has provided a forum for area residents to discuss and take action on issues and campaigns of local, national, and international importance. Our General Membership Meetings are open to all and usually held on the fourth Tuesday of each month except October and December, when we typically have our annual dinner and holiday party.

Our monthly General Membership Meetings are generally in a hybrid format accessible both in person at Hana Gardens Senior Apartments (10860 San Pablo Avenue, next to El Cerrito City Hall) and remotely via Zoom.

For monthly meeting and calendar reminders, you are invited to download and import the following iCalendar (.ics) invites to your computer:

For those of us who've been able to come to Hana Gardens, it's been wonderful to be in community and gather in person. Whether you join us in person or by Zoom, we encourage you to come a few minutes early to mix-and-mingle with fellow ECDC members.

The El Cerrito Democratic Club and its activities are supported by volunteers and the annual dues of members. Please see the "Membership Renewal Reminder and Instructions" section towards the end of this newsletter for directions on how to join the ECDC or renew your membership. El Cerrito Democratic Club executive board officer elections occur annually each January.

Special thanks to our 2025 volunteer officers:

The El Cerrito Democratic Club is seeking volunteers to run for Vice President of Membership in our upcoming officer elections. This is a key leadership role for anyone who enjoys outreach, organization, and helping strengthen our local Democratic community.

## **4. WISE is WISer: Learn About AI Healthcare Denials**

Guest speakers Ana Malinow from the Movement to End the Privatization and Cindy Young from the CARA Legislative Team will explain what WISer is and how we can organize to stop it.

WISer is a new model from the Medicare and Medicaid Innovation Center that expands prior authorization using artificial intelligence to seniors and people with disabilities on Traditional Medicare. This model begins in six states in January 2026 (California is not included yet).

We will learn how artificial intelligence denies and delays care for 30 million people on Medicare Advantage while enriching health insurance companies. The Innovation Center now plans to extend this same denial process to beneficiaries on Traditional (Original) Medicare in six target states before rolling it out nationally. Let's organize to stop this now!
